Cleaning Services

- Cleaning:
 - Automatic wet cleaning (water & solvent)
 - Manual cleaning
 - Bake out
 - CO² cleaning
- Qualification:
 - Particle inspection (UVA / BL / ORK / PMC)
 - RGA
 - He Leak testing / Pressure drop test
- Clean assembly:
 - Trained personnel
 - EAB certified glue specialists
- Cleanroom packaging:
 - IPS (TA / Plugs / Lockings)
 - CA's
- Direct Service Parts
- Up to Grade 1 cleanliness

ISTA certified

Packaging and Logistics from Earth to Orbit

Customer product → Meilink packaging → testing → customs → rocket launch

- Standardized packaging: maximum protection, minimal cost
- Production locations and cleanrooms in the Netherlands
- In-house testing: shock, vibration, temperature
- Export, customs & full-chain logistics expertise
- Supporting circularity & sustainability standards
- Secure temporary storage & just-in-time delivery
